## SOCIAL SCIENCE

### ACTIVITY 1 : 'Making a Memory File'

On your summer holidays you would be going for trips to other towns or cities, to visit your Grandparents, relatives or tourist trips. All you have to do is enjoy your holidays and along with it keep your memories of these holidays intact. How are you going to do this, by making a file which contains all your memories.

Take a shoe – lace file with A4 sheets and do this fun activity

1) Holiday:

- Reason of travel
- Mode of travel
- Period of your stay

1) Give a detailed account of the city.

- The name, area, history, main historical monuments.
- Type of people, language, dress, food, customs and traditions, religion.
- Climate, kind of landscape, flora and fauna.

You can make this activity more interesting by sticking your travel tickets, pictures, photographs, pressed flowers and leaves. Enjoy your holidays and this activity.

### Activity 2

Observe various constellations at least for one week and draw or paste the pictures of minimum two constellations and also write a few lines about them. You can add your own creativity while drawing or pasting pictures.

## COMPUTER

- Paste the pictures of cloud computing in the form of a collage.
- Make a presentation in a CD on the topic CLOUD COMPUTING. Discuss its advantages in our day today lives.
- Make a presentation on the topic EFFECT OF HACKING ON CLOUD COMPUTING

NOTE: Collage is to be made on A4 sheets. Both the presentations are to be made in the same CD. Make a small pocket on the blank side of the notebook and keep the CD in that pocket.
